VOL. XXIX, No. 43

King's Gate Club – a 55+ community, Nokomis, FL

October 29, 2016

NOTE from the OFFICE: Please remember to check in at the office when you return to King's Gate Club. This is the season for mailings, and we wouldn't want to you miss out on any important news.

ROAD REPAIR: Next week, DMK will be here to do an absolute FINAL walkthrough on the roads. If you think they have damaged your driveway, please let the office know so you can be put on a list. After this walk through, the company will not be responsible for any of the repairs. If you are not in residence, please ask a neighbor, friend or family member to check your driveway.

REMINDER: Vehicles (including golf carts) shall not park or drive on unit lawns or grassy areas, except storage areas or at the Clubhouse, when no paved parking is available without the permission of the Board of Directors.

FRONT GATE: We have noticed that since the RFID reader and new loops were installed, that the front gates do not close behind you if another resident is waiting. The RFID reader is picking up their tag before the gate has time to close behind you. We are working on some solutions to this problem; hopefully we can get a plan in place soon that will accommodate all the new technology. -- **Michele Rachal, KGC Manager**

BULK DUMPSTER: The dumpster located in the 5 acres is for your bulk items that cannot be easily placed in the compactor. Appliances should just be put on the side of the dumpster and a different truck will pick those up. Any questions, call the office.

NOTICE: New phone number for **Dan** and **Linda Lauzun: 941-375-4114**. You might want to change this in your KGC Directory, under **Lauzun**, as well as on page 2, under Round Table Committee chairperson, **Linda**.
