VOL. XXIX, No. 47

King's Gate Club – a 55+ community, Nokomis, FL

November 26, 2016

**NOTICES FROM the OFFICE: -- Michele Rachal, KGC Manager**

**ATTENTION:** No Rag/towel/cleaning wipe etc., should ever be flushed down your toilets. Please inform your Guests, Caregiver, Cleaning People, etc. We cannot have anything but toilet paper and your solid waste flushed down the toilets. It has been a few years, but we have had two calls out in the last week to clear a pump in the lift station full of rags. This is very costly to the club, because we get charged a service call plus hourly for the time spent pulling, cleaning and reinstalling these pumps. Usually two or three people are needed to complete this job.

**FRONT GATE:** You may have noticed that the sign at the front gate that read, "Stop Here Wait for Gates to Close," has been removed. Since we have the new RFID Reader, if a vehicle is waiting behind you and has the RFID Tag on the windshield, the gate will remain open. Please just continue to pull forward to keep the flow going at the front entrance.

**DEAR KGC READERS,** yes, our library does accept donations! We request that the books, either paperbacks or hardbacks, be gently used and in good condition. Any reference books should be current. For example, "Windows 95 for Dummies" or "Home Medical Reference 1998," are not books that would be helpful. If you have books that are not "donatable," paperbacks may be recycled; however, hardbacks should be donated to Goodwill or put in the trash. Your donations are appreciated and help keep us within our budget. Also, if you would like to request that we purchase a particular book for the library, let me know and I will look into that. And, remember to please use our check out card system! Thanks, Marian the Librarian. (**Sandi Rundell**)
