This week's challenge will be announced at the meeting. Join in and rid your house of clutter during these hot summer days. Come high season, when we are all busy with activities, you will have less to clean and dust! -- **Bonnie B.**

MOVIE for Wednesday, July 25th will be, The French Lieutenant's Woman. A film is being made of a story, set in 19th century England, about Charles, a biologist who is engaged to be married, but he falls in love with outcast Sarah, whose melancholy makes her leave him after a short, but passionate affair. Anna and Mike, who play the characters of Sarah and Charles, who during the shooting of the film, go through a relationship that runs parallel to that of their characters. -- **Pattie Murphy**

YUMMY! It is time for another Ice Cream Social. This year, it will be Sunday, August 5th, from 2 to 3:30 PM. Come and enjoy a relaxing afternoon visiting with friends and neighbors. We need some helpers: a few to do some minimal decorating and setup and several to help serve. Most of the toppings will be self-serve. We would also appreciate people bringing cookies to eat with the ice cream. Questions: **Linda Lauzun** or **Sue Peltier**.

INTERNATIONAL POTLUCK DINNER: We had a nice summer turnout of 50+ people for an Italian dinner last Saturday. Thanks to all who helped, especially **Charlie Fote**, in the electronic booth, **Mary Jane Shelby**, who headed the decorating team and **Cheryl Idle** who did a fabulous job on the photos. Our next dinner will be on 8/11, when we celebrate Germany. Dig out your favorite German recipes and sign up on the sheet in the back of the hall. ??? **Bonnie Blackburn, 275-4434**

NOTICE: Since there has not been a need for a Board of Directors Meeting since May, I decided to add a Manager's Report in this week's Newsletter. -- **Michele Rachal, KGC General Manager**

July 2018 Manager's Report

Hurricane Committee: We have had 3 residents step up to help on the Hurricane Committee. I would like to thank **Patty Murphy, Martha Hicks** and **Mark Anderson** for their willingness to help. We will be setting up a meeting to go over the what, how, when and why's in the very near future.

Lake Restoration Project: Landshore Enterprises, LLC has begun their work sampling and assessing the lake bank, so they can give us the best process to shore up the bank and stop the erosion. They began Monday July 16th and in about 6 weeks, we should receive their report.

Lake Algae Bloom: We have had a few Algae Blooms recently. Aquatic Systems has been out to spray twice. The first time they killed the algae, but all the nutrients fell to the bottom and a grassy weed started to grow. On Tuesday July 17th, they sprayed the newest algae bloom but also sprayed to kill off the grassy weeds too.

Bathhouse Project: I have contacted the Architect (Jim Solar) who designed the New Addition to help us get started on a design for the Pool Bathrooms. Once we meet with him, he will get a design together and then we will go out for bids on a contractor.

Rule 14 – Vehicles Revision: We are still taking any suggestions on how the residents would like to change Rule 14 – Vehicles. After August 15th, a rough draft will be written and sent to the Board for their review and input, then to our attorney for review and input and then, sometime this Fall to all the residents for their review and input. Once everyone has had ample time for review and input, and we have a Rule that **MOST** residents can live with, the Board will adopt those changes at a Board Meeting this 18/19 Season.

Common Area Landscaping: **Rich** and **Greg** have taken over the pruning, weeding and any other up-keep on our common area trees, shrubs and planting beds. Please if you see an area that looks like it needs attention, write a note to office so that I can let the guys know. PLEASE do not pull them off a job to show them or ask them about landscaping.

Mulch: The new mulch will be delivered and installed August 21st & 22nd by Gulf Breeze Landscaping.
