

Kings Way Neighborhood Committee Meeting Agenda Outline for 5-15-19

My Starting Suggestions in Red

- I. Name of the organization:
 - a. Kings Way Neighborhood Group - KWNG

- II. Purpose and Goals of the Organization.
 - a. Become a unified voting influence for county elections.
 - b. Pressure the County & City to improve Kings Way and provide a controlled intersection between Kings Way and Laurel Rd.
 - c. Develop alternative routes of actions if we do not get any satisfaction from the polite approach.

- III. Method of Communication.
 - a. Mass emails
 - b. Using an internet app like "next door"

- IV. Develop a Steering Committee to push forward out agenda with the county, the Developer, and the City:
 - a. Made up of (three ? members) from each community.

- V. Elect Officers if needed.

- VI. Develop an Action Plan and create the necessary sub committees to collect data and recruit membership from our communities.
 - a. Develop a cover letter explaining the makeup, purpose and structure of our group along with a petition letter to be sent out to each member of each community.
 - b. Introduce the members to whatever communication device we use for future communication and updates.
 - c. Construct a list of reasons that we need an improvement to Kings Way.
 - d. Construct a list of advantages to the city, county, and developer if KW was improved.
 - e. Find out the contact info for the people from the developer, county, city, and Boone Law office.
 - f. Draw up several intersection diagrams to scale, which could work in our situation.
 - g. Find existing comparables in the county, document and photograph them.
 - h. Research the past five years of re-zoning and developments applications that were denied or never came to fruition and the reasons why.
 - i. Set up communication system.
